AJA Corvid88 vs BMD DeckLink Quad 2

Chris - 2018-05-25 - in General

If you are working with a multi-channel setup or if you ware planning a multi-channel setup, then we would recommend an AJA Corvid88, as we are seeing performance advantages towards the DeckLink Quad 2. If you want to get more information about multi-channel setups, please do not hesitate to contact us.
