INFORMATION ABOUT TOA AVAILABILITY DUE TO COVID-19

2020-03-16 - Chris - in [General](#)

Dear valued customers, partners and friends,

We'd like to inform you that our offices are currently not staffed due to the "COVID-19" health security regulations enforced by the Austrian government.

Nonetheless, we are reachable and available via direct e-mail and through our support system at <https://support.toolsonair.com> and are happily looking forward to answering your questions as always.

Please stay tuned digitally for our announcements to come!

Thank you very much for your continued support!

The ToolsOnAir Team
